Bible Maps

A Word About Use and Copyright

These maps/images are copyrighted and may **not** be given to others. You may insert the maps/images into your PowerPoint or Keynote presentations, but do **not** give the files you create to others if our maps/images are included. You may make paper copies of the maps/images for instructional use only for classes you are *personally* teaching/instructing.

If others express an interest in these maps/files, please direct them to our website where they may download files for their own use.

Publication and Website Use

For use of these maps/images in publications, websites, etc., please contact us to secure prior, written permission at **contactus@biblemaps.com**

If you are using these maps/images and believe them to be pirated, please stop using them. Thank you!

"Thou shalt not steal." - Exodus 20:15

How to Copy/Paste Maps and Images Into PowerPoint or Keynote Presentations

1. Open your PowerPoint presentation and create a blank slide.
2. Open the MANNA map or image using Adobe's Acrobat Reader.
3. Use the Camera selection tool to click/drag to select the map or image.
4. Once selected, do Ctrl C to copy the map or image to your clipboard (Mac users do Command C).
5. Now go to your PowerPoint or Keynote presentation and do Ctrl V (Mac Command V) to paste the image.
6. Resize the image as needed (double click the image to bring up a palette resizing the map or image).
